

Brave and Bold

Once again Quilts of Valour – Canada™ will be attending Quilt Canada! As promised a new block for you to: make a block, make a quilt and make a DIFFERENCE.

Quilts of Valour – Canada™ is asking quilters across the country to make quilts for our injured serving military and our injured veterans from the Bento Box quilt block.

Sewing 5 rows of 6 blocks (30 blocks) will make a quilt approximately 60" X 72".

- We encourage you to make the blocks from Northcott Fabric, not only using the Oh Canada line but any of the beautiful lines from Northcott.
- You may delve into your fabric stash (we know you have one) for red, whites/creams to build a **Brave and Bold** quilt for our injured military and injured veterans.
- At your discretion, you can use the yellow block, or not. Both versions will look wonderful.
- No borders are needed, just layer, quilt and bind!
- We ask that you also supply the binding for the **Brave and Bold** top that you donate.
