

LEGENDS OF QUILTS X

UFO CHALLENGE 2018/19

Two equal numbered teams will be assembled from those members who choose to participate. Record, on this sheet, all UFO projects you will challenge yourself to complete by the June 6, 2019 guild meeting. This gives you six months to complete and show your quilts. The deadline to turn in your completed sheets is Nov. 1, 2018. Give them to Val Tucker or myself, Marlene Lawrence. The teams will be announced at the Nov. 15th guild meeting. The teams will be awarded points for completed projects brought to Show and Tell between Dec. 1, 2018 and June 6th, 2019. We will keep track of the completed projects and tally points for each team. At the conclusion of the challenge, the team receiving the highest number of points will be the guests, at a party, hosted by the less productive team. This party will probably be held in the New Year following the quilt show.
