

Special Bulletin

Hello to Our Would-Be Retreaters!!

from your Vice President, Joan Muller

We have some great news for the fall. We have booked some dates for the Fall Retreat.

We will be going from **October 25 – 28**. I know it is a little bit later than we usually go, but somehow the dates before that have already been taken by other hopeful groups. If all goes well, that is when we can go.

The cost has taken a jump and will be \$205.00 for three nights with meals starting on the Monday evening and ending with Thursday lunch.

It is still a great deal and we have lots of space to move around in.

I am so excited to know that we can hopefully meet in the fall and I hope you all will get excited as well. We should be able to take 30 people as long as Covid stays low and out of our reach!

We will know more as the time comes closer.

Love from your VP, Joan
