

**LEGACY OF QUILTS XI  
UFO CHALLENGE 2021/22**

Two equally numbered teams will be assembled from those members who choose to participate. Record on this sheet all UFO projects you will challenge yourself to complete by the June 2nd, 2022 Guild meeting. This gives you eight months to complete and show your quilts.

The deadline to turn in your completed sheets is November 4th, 2021. Give your record sheet to Bev Keith, but keep a copy for yourself as a reminder of your commitment to your team members. The teams will be announced at the November 18th, 2021 Guild meeting.

Teams will be awarded points for completed projects brought to Show and Tell between December 2, 2021 and June 2, 2022. We will keep track of the completed projects and tally points for each team.

At the conclusion of the challenge, the team receiving the highest number of points will be the guests at a party hosted by the less productive team. This party will probably be held in the New Year following the quilt show.
