Legacy of Quilts X – QuArtz (Art Subgroup)

This year QuArtz was challenged to incorporate Tea Bags into their quilted work. Members of the group took turns each month presenting ideas from which they drew inspiration and created two tea bags based on those subjects. One tea bag was for a group project and one tea bag was for a personal project.

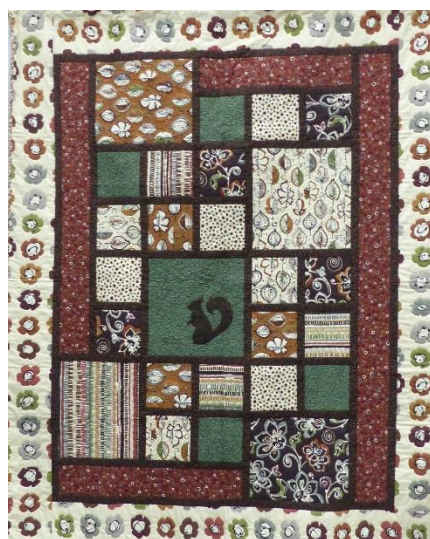

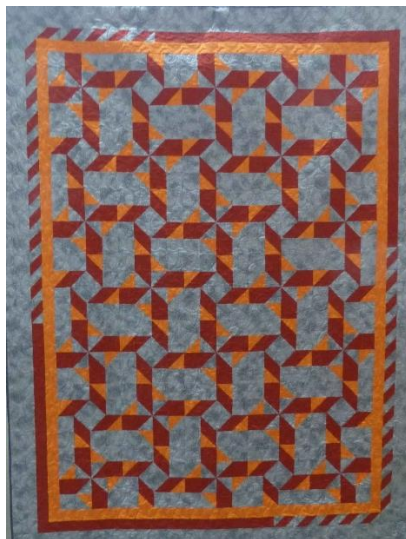

Some of the the art forms they used included: Steampunk & Origami folding, Javanese Art & Wayang Shadow Puppets (cork work), Computer printed images, Native & Celtic Art, Taking Liberties – Oh, that was a fun one, Mosaics, Flour Resist & Stamping and Sashiko.
