Greeters wearing Jean Skobalski's Fat Quarters for the Draw

From December Newsletter:

If you are going to be at the first meeting of the Guild in December, you may be treated to the gift of a fat quarter of quilting fabric. Why, you might ask? Well, it is because a dear member of our Guild who has recently passed away wished for her collection of fat quarters to be distributed to the members of the Guild in her memory. Jean Skobalski is her name, and many of us knew her as an active member prior to the years of her declining health. Actually, Jean was a founding member of our Guild back when we were a much smaller group. She wrote a very interesting early history of the Guild which you can read in the Archive section of our website. She also served as President, was a devoted member of the Scrappy subgroup for many years, and she loved going to retreats and quilt-related bus trips. One of her very good friends remembers her as always being there if someone needed her.

Thank You Jean for all of your gifts to all of us!
